

MOS36SUB MINIMAL OPENING SUBWOOFER

SIMPLE INSTALL, HUGE SOUND

As part of our smallest yet largest feat so far, the Minimal Opening Subwoofer compliments our Minimal Opening System™, the revolutionary fully in-ceiling audio system that mimics the appearance of 4" designer lighting.

Customized to match the unique appearance of home lighting, the custom finish blends seamlessly into the ceiling alongside lights for a sophisticated uniform look.

PRODUCT ID

CLEAN & COMPACT BASS

Enhancing the range of sound created by the original MOS36K Minimal Opening System by Origin, this Minimal Opening Subwoofer delivers amazing deep bass within the most restrictive environments.

REVOLUTIONARY PRE-CONSTRUCTION MOUNTING

Uniquely engineered to grant a simple installation process; built-in rails secure the subwoofer enclosure into the ceiling, with the exact dimensions to ensure a tight fit between ceiling joists.

PREMIUM CHOICE TRIM-RINGS

The included Trim-Ring Kit includes 6 different designs, offering the latest, invisible flushmount trim-ring options, and both round & square grilles, allowing the ideal trim to be selected to match any interior.
